

BREACH MANAGEMENT SERVICES

Valencia IIP: our name and our focus is Information & Infrastructure Protection. What makes us different is our holistic, integrated perspective.

Privacy and security breaches consume management time and resources. Few organizations are experienced in breach triage, remediation and notification.

Our breach management services consist of:

- ◆ Triage breaches to discover “what”, “how” and “how much”
- ◆ Conducting forensic investigations
- ◆ Assisting with remediation planning to minimize future breaches
- ◆ Using the extensive experience of our principals to help you notify affected individuals and regulators
- ◆ Assessing your organization's readiness in identifying and managing breaches
- ◆ Developing policies, procedures & plans for breach management
- ◆ Providing breach management training & simulation exercises for internal stakeholders
- ◆ Supporting communication to your board & senior management
